Promoting Quality Child Care through the provision of support services for child care providers, parents, employers and the community....

Child Care Resource Center, Inc. is a non-profit, private agency, affiliated with the Alabama Association of Child Care Resource and Referral Agencies. Child Care Resource Center promotes quality child care through the provision of support services for child care providers, parents, employers, and communities. Funding to operate Child Care Resource Center is received through contracts and grants with government and corporate entities, as well as civic, charitable, and individual donors. Through a contract with the State Department of Human Resources, Child Care Resource Center serves as a regional Care Management Agency based in Opelika, Alabama. We serve a five county region (Lee, Chambers, Tallapoosa, Russell and Macon). We are governed by a 9 member board of directors. The board of directors is made up of community leaders, child advocates and partners.
